

Roll Off Container Rentals

The Estancia Valley Solid Waste Authority rents 30 cubic yard rolloff containers in the unincorporated areas of the county. The fee of \$378 is for the rental of up to 7 days. After the 7th day, there will be an additional charge of \$7.50 per day.

If you need to switch out containers within the first 7 days, the second container is only \$250 plus tax. Switch-outs after the 7-day period are charged at the regular \$378 rate.

Additional fees will be charge for weight in excess of 5 tons per rolloff, and for sites more than 50 miles from the landfill. Payment must be made in advance, except for the excess load charges, which are calculated after disposal at the landfill. Excess load charge is \$47 per ton.
