Terms and Conditions

This agreement is entered into on this date by the Estancia Valley Solid Waste Authority (hereafter, EVSWA), and the company represented by the authorized signature. EVSWA, dba Estancia Valley Regional Landfill (hereafter, EVRL), reserves the right to cancel charge account privileges and/or disposal privileges at any time.

Duties and Liability

Customer will present for disposal only materials classified as “Municipal Solid Waste,” or “Construction and Demolition Debris” according to current regulations for solid waste facilities promulgated by the New Mexico Environment Department. Hazardous or regulated waste is not accepted for disposal. Customer will bear all costs for cleanup, hauling, and proper disposal of any unauthorized material. Customer will haul materials with loads properly covered, and will clean up all materials spilled en route to the landfill. Customer will present his load for disposal at the EVRL Scalehouse, and declare the source and type of solid waste being disposed. Customer will follow directions of landfill personnel while on EVRL property. Customer is liable for safe operation of his personnel, vehicle and equipment at all times. Any unsafe conditions observed at the landfill shall be immediately reported to the Scalehouse Operator.

Payments and Additional Charges

EVSWA will calculate charges per posted tipping fees according to the scale weight, with a minimum charge of \$20 per load plus tax. Tires are charged a separate rate. EVSWA will issue a scale ticket to the driver prior to departure from the landfill. Billing for disposal services will be monthly. A late fee of \$20% of the unpaid balance will be charged if the account is not paid in full by the 15th. Payment can be made by check, money order, or credit card.

Indemnity

Customer agrees to defend, hold harmless, and indemnify EVSWA and the Estancia Valley Regional Landfill against all claims, lawsuits and any other liability or injury to persons or damage to property or the environment connected with or arising out of Customer’s use of the equipment or by any breach of any warranty by the Customer.
