
Estancia Valley Regional Landfill

The Estancia Valley Regional Landfill (EVRL) is located east of Moriarty from I-40 interstate off of exit 203 (see attached map). EVRL receives municipal solid waste (MSW) and construction/demolition (C&D) debris. EVRL is also permitted to accept certain special wastes such as sludge and petroleum-contaminated soils; however, special wastes require prior approval and acceptance by EVSWA, and will require laboratory testing prior to acceptance. Contact EVRL, 505-705-5101 for more information.

Mission Statement

To provide for the disposal of solid waste and certain special waste in a manner that protects human health and the environment.

Rates

MSW	\$47.00 per ton
C & D	\$25.00 per ton
Residential Green Waste	\$25.00 per ton
Commercial Green Waste	\$25.00 per ton
Scrap Metal	No charge
Animal Disposal	Small \$10.00 Large \$30.00
Loader Fee	\$50.00
Special Wastes	Call for information

Minimum charge at the landfill is \$20. County customers bringing their weekly load will get \$10 off when they show their EVSWA Payment Stub.

Tire Rate

Whole Tires for Recycling	\$300/ ton
Cut Tires for Disposal	\$47/ton

Clean Fill Disposal Rate

“Clean fill” includes broken concrete, brick, stone, rock, glass, reclaimed asphalt, pavement, or uncontaminated soil generated from construction and demolition activities. Reinforcement materials which are an integral part, such as rebar, are included. Clean fill must be free of other solid waste or hazardous waste

Inspected Clean Fill Material	\$10/Ton
