

CDL Driver: Landfill / Collection Stations

Position Specification

Classification: Regular Full-Time

Department: Landfill or Collections

FLSA Status: Non-Exempt

Reports To: Landfill Supervisor or Field Operations Supervisor

Position Summary:

Estancia Valley Solid Waste Authority (EVSWA) operates the Estancia Valley Regional Landfill (EVRL) and eight collection stations for solid waste disposal and recycling. A CDL driver may be assigned to the EVRL or collection stations as needed. Primary duties will be rolloff truck driver to transport rolloff containers from collection stations to the landfill and then back to collection stations. Other duties may include rolloff transportation to/from customers within Tarrant County and surrounding areas, transportation of compost from the landfill to customers via 18 cubic yard dump truck, transportation of equipment and equipment trailers, and transportation of water via tractor and 5,000 gallon water tanker.

The CDL driver must perform tasks as assigned or needed for the safe and lawful operation of EVSWA trucks and trailers, the landfill, and the collection stations including associated facilities and equipment.

Minimum Qualifications Required

- Valid New Mexico Class B CDL driver's license (CDL Class A and Class A Tanker is preferred). No serious violations in the past five years or more than one DUI ever. A serious violation is a DUI or any violation resulting in imprisonment, suspension/revocation of license or a fine of \$100 or more.
- Ability to communicate effectively in English - spoken and written.
- Ability to perform arithmetic computations to accurately complete all required forms and reports.
- Ability to perform all essential functions of the position with or without a reasonable accommodation.
- High School Diploma or GED.

Essential Functions:

1. Will drive EVSWA trucks for rolloff container delivery/pickup, delivery of compost, transportation of equipment (e.g., backhoe), and transportation/distribution of water using a tractor and 5,000 gallon water tanker (e.g., for dust control).
2. Screens waste material to ensure compliance with all New Mexico Environmental regulations and guidelines and EVSWA safety and operational policies and requirements.
3. Assists customers with proper disposal and recycling of materials, including providing information to customers about regulatory and safety requirements/restrictions or alternate disposal sites.
4. Assists customers with safe disposal of bulky items weighing up to 100 lbs, including but not limited to items such as refrigerators, furniture, and tires, into proper containers.

5. Maintains accurate and legible records as required by EVSWA policies and state and federal regulations.
6. Maintains premises and equipment as required by EVSWA policies and state and federal regulations to ensure the equipment is free of debris, safety hazards or unsightly conditions.
7. Identifies and reports all safety concerns and needed repairs.
8. Performs routine maintenance of EVSWA facilities and equipment including structures, ramps, stairs, containers, compactors and similar facilities as needed to provide security and prevent damage or deterioration.
9. Operates EVSWA vehicles, equipment and tools properly and safely and performs routine inspections, repairs and preventive maintenance on EVSWA equipment and tools.
10. Performs all work needed for the proper, safe and lawful operation of EVSWA facilities or as directed by a supervisor.

Additional Qualifications Considered

- Experience in a similar position with a solid waste disposal operation.
- Experience operating CDL trucks and any of the equipment or tools used in this position.
- Communicate in Spanish.

Working Conditions

EVSWA's collection stations and landfill are outdoor facilities that are operated seven days a week, year-round and primarily during daylight hours. A small structure with a place to sit, a heater and field toilet facilities are provided at each facility. Work is performed outside with exposure to the weather, noise, fumes, odors, dust and dirt. Work is performed on a variety of surfaces including vehicle surfaces, concrete, metal or wood surfaces or natural ground that may be flat, uneven, greasy, wet, or muddy. Work involves exposure to waste material that may contain asbestos, solvents, paints, pest control products, sharp objects, blood-borne pathogens, household medical waste or other potentially hazardous materials. EVSWA provides personal protective equipment (PPE) including hard hats, steel-toed boots, gloves, safety glasses and any other PPE required for a particular task or assignment. Employees are required to use the PPE provided in accordance with EVSWA policies.

Work requires moving or shifting items weighing up to 100 lbs, performing manual labor tasks such as digging, weeding or cleaning up trash and debris, using ladders and steps, using manual and power tools, and operating vehicles and trucks that require a Commercial Driver's License (CDL). All interaction and communications with EVSWA customers or the general public must be performed in a professional and courteous manner. EVSWA provides training on the safe and proper operation of all equipment and tools and the performance of all required work. Employees are required to perform work in accordance with this training and all EVSWA policies.

CDL Driver: Landfill / Collection Stations Position Specification

Equipment and Tools

- Large equipment such as CDL trucks, rolloff containers, compactors, backhoes, loaders, skid-steers, forklifts and similar equipment.
- Hand tools such as shovels, hoes, brooms, rakes, hammers, wrenches, grease guns and similar hand and garden tools.
- Power tools such as drills, saws, screw and nail guns, generators, air compressors and similar shop tools.
- Power equipment such as lawn mowers, weed eaters, brush chippers and similar equipment.
- Vehicles and trucks that require a CDL to operate.

Applicant/Employee Acknowledgement

I have received a copy of this Position Specification and have read it. I understand the expectations and demands of the position described and state that I can perform the essential functions of this position with or without a reasonable accommodation. I further understand that EVSWA is an equal opportunity employer and that I may request a reasonable accommodation at any time.
