

Frequently asked Questions and answers

Q. What if I need to close my account?

A. An account is only closed when the residence is conveyed to a new owner. If you have sold the home outright, call and let us know so that we can open an account for the new owner. However, if you sell the home on a real estate contract, you must provide us with a copy of the properly filed REC before we can begin billing the purchaser.

Q. What is a decal, and how can I get one? How much does it cost?

A. A vehicle decal is equivalent to having your account card. There is no cost for decals. You are allowed up to two decals per account and you must either obtain them at a station or the EVSWA office. The name on the EVSWA account must match the vehicle registration. You may go to any station Monday through Friday or the office can approve in advance for a Saturday or Sunday at a station.

Q. Do you offer a Veteran or Senior Discount?

A. We only offer a Senior Discount fee that was implemented as of July 1 2016. Resident property owners ages 65 and over and on public assistance (Social Security, Medicare, Medicaid, or Income Support), will receive a 50% discount. Apply in person at the EVSWA main office. We also offer Low Income discount; to qualify for this 50% discount, customers must submit a determination letter from the Torrance County Income Support Division, showing that they are eligible for benefits. If you currently receive benefits from Income Support, including (1) cash assistance, (2) SNAP (food stamps), or (3) LIHEAP, we just need an updated printout of your benefit eligibility. Please contact Income Support Division at 832-5640.

Q. No one lives in my house, why should I pay solid waste fees?

A. As of July 1, 2016, property owners with vacant residences will no longer pay any solid waste management fees.
